PERSONAL BIO & CHURCH FOCUS:

Jim is a graduate of the University of Findlay and Winebrenner Theological Seminary. His passion throughout 25 years of ministry has been to help the spiritually unaware discover the life-changing relevance of a relationship with God. Toward the end he has tried just about every hair-brained idea his dad has come up with to try to reach people in his community. Some have worked. Some haven't. But through the years God has blessed and the church has grown.

Jim and his wife Darlene, reside in New Cumberland, Pennsylvania. They have two kids in college that they see whenever the kids need money.
