David Ring is a Christian evangelist, and a nationally known speaker since 1973 through Reach Out & Touch Ministries. His inspirational life story is available in his book, *Just As I Am*. Born in 1953 with cerebral palsy, orphaned at age 14. David was passed around from family to family with nowhere to call home. He endured constant physical pain, discouragement, and humiliating public ridicule. Yet in the face of seemingly insurmountable obstacles, he emerged victorious! Through his relationship with Jesus Christ, he learned self-respect and acceptance of his physical challenges.

Although difficult to understand at first, David will capture our hearts with his quick wit and warm personality. We will laugh. . . and cry as we hear this inspirational man of God. As one who has not been stifled by his physical limitations, **he clearly stakes his challenge to everyone. “I have cerebral palsy, what’s your problem?”**
